## 2<sup>nd</sup> Baulkham Hills 3-5 year Group Plan

I would like every body to take time out to consider where the group is heading and how it is going to get there?

Having a Group Plan is fundamental to the growth and sustainability of our Scout Group Plan. It is a tool that assists a Group in organising all of its resources in order to progress from its current state to its desired future state

I would like to remind every body of the Scout Associations Mission Statement

The Mission for Scouting is to contribute to the education of young people, through a value system based on the Scout Promise and Law, to help build a better world where people are self-fulfilled as individuals and play a constructive role in society.

This is achieved by:

- Involving them throughout their formative years in a non-formal educational process.
- Using a specific method that makes each individual the principle agent in his or her development as a self-reliant, supportive, responsible and committed person.
- Assisting them to establish a value system based upon spiritual, social and personal principles as expressed in the Promise and Law.

If you could return to me or mail it to me by the 20<sup>th</sup> September, we can have a get together and discuss further.

Dinner at the Bull & Bush on Thursday night 3<sup>rd</sup> October (school holidays) at 6:30 for 7:00 and we can try to finish by 10:00

If you could write out you thoughts below.

1. What are your ideas for short to medium term developments around the hall (including Maintance)
